

## R. E. Thompson Intermediate School

### Vision

We envision R. E. Thompson as a premier learning center that will promote leaders for the 21st century

### Mission

The RET faculty is committed to provide the tools necessary to develop responsible, productive, life-long learners.

### Beliefs

All students can succeed. All instruction must enhance the many aspects of a child. High standards are expected of all. Citizenship requires values and respect. Cooperative stakeholder efforts encourage success. A positive, safe environment promotes learning.

#### Improve attendance

##### Objectives

- Decrease absenteeism by 5% for the school year.

##### Critical Initiatives

- Send home documentation when a student accumulates excessive absences.
- Participate in attendance awareness activities throughout the year.
- Hold parent meetings for students at risk of becoming chronic with their absences.

##### Key Measures

- Attendance records
- Attendance records for span of activity

#### Increased math scores

##### Objectives

- Increase math proficiency in all grade levels by at least 3%

##### Critical Initiatives

- Employ a full-time math intervention teacher to work with students identified as struggling with the math standards.
- Increased use of Edmentum program for remedial and enrichment activities as students use a tailored instructional path.

##### Key Measures

- Improved grades and understanding of math standard
- Edmentum diagnostic tests

#### Improve Reading scores

##### Objectives

- Increase Reading proficiency scores by at least 3%

##### Critical Initiatives

- Continue to employ a full-time reading intervention teacher to work with students identified as struggling with the reading standards.
- Increased use of Edmentum program for remedial and enrichment activities as students use a tailored instructional path.

##### Key Measures

- Improved grades and understanding of standards
- Edmentum diagnostic tests

Key Measures

- Attendance records, both this year and last
